very! very! daisuki chapter 03

Hello hello! Finally, an update of VVD!! As the original scanner and translator of this project, I've decided to just make this into a solo project to improve my ~PS skills~ and help pass the time. Oyasumi Scans has sadly fallen apart, despite the many attempts made to keep the group together.

But fret not, I am VERY(!) interested in seeing this project through, and I'm having loads of fun picking out font and etc. while editing (which we all know is the most tedious and difficult part of scanlating). So stick around for another update!!

jenn

note : I've decided to change the font when characters are speaking Japanese and Korean in order to decrease confusion when reading. Any spelling mistakes in Chiyoshi's speech is due to his limited control of the Korean language.

disclaimer : This manhwa does not belong to me

WHAT'S THIS? HEY, KID.
WHAT ARE YOU DOING, PEEPING AT SOMEONE ELSE'S HOUSE? HM?
TH, THAT IS .. BECAUSE IT'S PECULIAR SINCE IT'S A KOREAN-STYLE HOUSE.
I was looking over it for a bit ^^;
CHUCKLE ... IS THAT SO?
HOW IS IT? ISN'T IT EXCELLENT? WE TRANSFERRED THE BOOKCHON GOTEK AND RE-ERECTED IT.
This is your first time seeing one of these, right? And by the way, my name is Han Seung Soo.
No, you didn't have to go as far as to give me your name
ㅇㅇㅇ

EXCUSE ME, MISTER... BY ANY CHANCE, WILL THERE BE LOTS OF ODD ENDS OF WOOD LEFT OVER AFTER THE CONSTRUCTION?
ODD ENDS OF WOOD?
hehe
YOU SEE, I HAVE SOME USE FOR THEM.
CONSTRUCTION WILL BE OVER BY NEXT WEEK SO YOU CAN COME THEN.
I see that you're a kid with an eye for wood ~~
YES, SIR! THANK YOU VERY MUCH ♡
I WENT AND CAME BACK!*
BERRY, ARE YOU IN A GOOD MOOD?
HUH? OPPA, WHAT'S THE MATTER? WHY ARE YOU HERE SO EARLY?
MY FATHER IS COMING TODAY. I'M GOING TO GO GREET HIM IN A BIT.
